DETAILED ACTION

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Dennis M. Smid on September 14, 2004.

The application has been amended as follows: amendments to Figs. 1A and 1B that will be further explained below.

2. The following changes to the drawings have been approved by the examiner and agreed upon by applicant's attorney: in Fig. 1A the box labeled VCR Serial I/F will be relabeled as "VCR Parallel I/F" with the reference character "59", the box labeled VCR Parallel I/F will be relabeled as "VCR Serial I/F" with the reference character "60"; and in Fig. 1B the box labeled Operation Input will be relabeled as "Com I/F" with the reference character "28", the box labeled Com I/F will be relabeled as "Operation Input" with the reference character "30". In order to avoid abandonment of the application, applicant must make these above agreed upon drawing changes.

Allowable Subject Matter

3. Claims 1-6 are allowed.
4. The following is an examiner's statement of reasons for allowance: Prior art fails to teach or fairly suggest a camera apparatus incorporating a communicating device for transmitting a video signal photographed and processed by a camera or a video signal temporarily recorded in a record medium to a remote location in combination with the other elements of claim 1, comprising: connecting means for connecting a plurality of different communication lines; setting and inputting means for allowing the user to designate one of the plurality of different communication lines and setting a transmission condition; notifying means for notifying the user if a different communication line would allow the video signal to be transmissible if it is determined that the video signal is not transmissible over the designated communication line.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
